

The Mohegan Tribal Police found a grave marker in the Thames River on 05/21/2016. The marker was partially submerged in the water, located next to the railroad tracks and adjacent to the Shantok Park Mohegan Reservation. The grave stone is a foot stone that measures 14½ inches length by 8½ inches wide by 4 inches in depth gray granite. The top of the stone is flat and the name of “Baby Grigas” is engraved in black. There were no other markings found. If anyone knows of any type of cemetery desecration or vandalism that may have involved this particular stone, please contact Officer Faulise at 860-862-7460 and refer to Case #2016-0550.
